

Olympic Arms is proud to announce the beginning of a new Open Enrollment Period.

Open Enrollment means that Olympic is currently taking on new Dealer Direct accounts. [New dealer accounts](#)

will be open to purchase anything in our catalog directly from Olympic Arms. This includes both Production models (which had previously not been possible under our Closed Enrollment status), and Specialty Shop models.

As a dealer, all you need to do is fill out the [Dealer Application](#), and return it with a signed copy of your current FFL for processing. It's that simple! Washington State dealers will also need to provide a copy of your Washington State Resellers Permit.

One important Note: Any dealer that maintains their status as a Stocking Dealer, will be grandfathered in should we enter another Closed Enrollment period. Details for the Stocking Dealer Program can be found on the Dealer Application.
