

Q: How do I become an Olympic Arms Dealer?

A: Olympic Arms is currently within an Open Enrollment period, and ARE taking on new dealers. If you have an FFL and are licensed to buy/sell/transfer firearms then you qualify to become an Olympic Arms Dealer during any Open Enrollment period. There are no minimum order requirements and no monthly or annual commitments. In fact, it takes only two simple steps to become an Olympic Arms Dealer:

- Download, and complete the [Dealer Application](#) , and return it with a signed copy of your current FFL for processing. It's that simple!
- You can email the completed Dealer Application to tom@olyarms.com , or fax them to 360-491-3447.
- Washington State dealers will also need to provide a copy of your Washington State Resellers Permit.

After we have your FFL and completed Dealer Application on file, your paperwork will be processed, and account activated. You will also receive information on how to access dealer pricing on-line.

Getting your FFL to us:

Our preferred method of receiving your FFL and Dealer Application paperwork is via email . If however you do not have email access, you can also return it to us via fax or Hard Copy mail. If your information is transmitted via email, it is usually processed and your account activated within 24 hours. If sent via fax or hard copy mail, please allow sufficient time for processing.
